

JOIN OUR SIRENS FOR LIFE TEAM

It's not just about
saving lives.

It's about living
our values,
together.

It can take a team to save a life. Let's be that team! Together, we can create real change for patients.

The first responder team in our community that **donates the most blood or plasma**, and has the most members **join the stem cell registry**, will be the Sirens for Life champions!

Join
